Current Address:
181 Bay State Road
Boston, MA 02215

Permanent Address:
3171 Fox Drive
Chalfont, PA 18914

OBJECTIVE:

To obtain a summer internship that helps me expand my knowledge and experience in Computer Science

EDUCATION:

Boston University

Anticipated May 2018

Bachelor of Arts Computer Science Degree

- Current GPA: 3.76/4.0
- Majoring in Computer Science

EXPERIENCE:

Technology Development Intern for Optum

June 2015 – Present

- With my team, we developed an internal web application to view millions of pieces of logging data
- The tools we used were HTML/CSS/Javascript/jQuery/Java/Adobe Illustrator/Adobe Dreamweaver

SKILLS:

- Proficient in programming with Java, Python, Javascript/jQuery, HTML and CSS
- Proficient in media production tools, including Adobe Premiere, Adobe After Effects, Adobe Illustrator, Adobe Photoshop, and Sony Vegas
- Familiar in programming with Swift, Android Studio, and Angular

PROJECTS:

PriveTime—Global Appathon

January 2015

- Created a mobile application that simplifies communication between college roommates, which won Best UX Design Award
 - Built with Android Studio in Java

CrossGif—Hack New York

March 2015

- Developed a fun, web-based Madlibs spinoff game, where users had to fill in the blank, given a representational gif of the word
 - With Giphy's API, we built this project with HTML/CSS/Javascript

Journe—Make BU Hackathon

March 2015

- Developed a web application that creates Spotify playlists based on the length of a given road trip
 - Using the help of Spotify and Google Maps API, we built this project with HTML/CSS/Javascript/jQuery
